- Career: energy & jobs
- Testing and certifying
- Knowledge & education
- Energy supply
- Energy Policy

### Intelligent and efficient energy distribution and storage

- Smart grid
- Smart metering
- Virtual power plants
- Battery storage

## How it works?

A matchmaking event is a quick and easy way to meet potential cooperation partners. People meet and greet at high speed. 30 minutes are usually enough to build connections, then the bell rings and the next talk starts.

All cooperation profiles will be published online and will be for everyone to see. The profiles can be changed at any time.

Online registration:  
**[www.b2match.eu/renexpo-pl-2014](http://www.b2match.eu/renexpo-pl-2014)**

## Costs:

- Participation in Brokerage Event is **free of charge**.
- Participant bears their own accommodation and travel costs.

## Dates for your diary:

- **12 September** Deadline for registration and submitting of a cooperation profiles.
- **8-18 September** Online selection of face-to-face meetings.
- **23 September** Bilateral Meetings (12:00 - 16:30).
- **24 September** Bilateral Meetings (09:00 - 14:00).

The **RENEXPO®** (Renewable ENergy EXPOsition) Poland is not only one of Poland's largest and most significant event on renewable energies, but also creates an energy platform in the country.

The trade fair, becoming a tradition, as well as the conferences demonstrate how simple and ecologic the future energy generation, supply and usage can become.
