

Enterprise Europe Network is the largest business support network in Europe. Thanks to its 592 contact points in 54 countries including the European Union, it provides practical answers to specific questions in the language of SMEs.

Our mission is to help SMEs to develop their innovation potential and to access new markets. Instruments include business partner search as well as advice regarding the European Union legislation and European financing programs.

Locally, Enterprise Europe Ouest is composed of the Chambers of Commerce and Industry in the regions of Bretagne and Pays de la Loire as well as Bretagne Développement Innovation.
